Report of Officers

President, Missy Perry (Report attached)

Report stands as submitted.

Past-President/Long Range Plan, Carolyn Sparks (Report attached)

Report stands as submitted.

Carolyn has asked whether the Board should change the wording in Code 109.1 regarding the timeline of nominations to make it a bit more flexible. The code currently reads “The Chairperson of the Nominations and Elections Committee shall establish a deadline and solicit nominations from the membership through all appropriate means. An announcement calling for nominations shall be made available to the membership prior to September 15.” A suggestion by Zachary was put forward that the wording should be changed to “within an appropriate time frame”. Melanie suggests adding a deadline such as “by March 1”. Carolyn will draft wording and report back to the board at the next meeting.

Vice President/Professional Development, Adam Ghiloni (Report attached)

Report stands as submitted.

The New and Intermediate Aid Office Conference will be held on March 14, 2023 at Midlands Tech (Harbison Campus). The Leadership Symposium Summit will be held on April 25, 2023 at Claflin University.

Treasurer/Budget, Regina Hailey-Smith

Report stands as submitted.

Discussion: Payment for future conference/budget adjustment

Regina has suggested an increase to the contingency line item to accommodate if we have to dip in. This year there was two separate \$4125 deposits to secure the hotel for conferences. This year, adding separate line to include in this budget but will then reduce out of conference budget next year to balance. Would like to create a new line item to include these deposits for the future. Missy asked for questions

Action Item: Add line item 203F to budget. Full amount \$8250 to cover deposits adjustment to contingency. Motion carried.

Regina will send out updated budget to membership by email.

QR codes have been created and are available for mini-golf, silent auctions, and tenfold in your billfold charity activities at annual conference so that attendees can pay electronically.

Treasurer-Elect, Michelle Upchurch

There are 127 registered attendees at the October 2022 conference and nine outstanding registration fees. Michelle will begin collections.

Member-at-Large/Membership, Jernitha Smith (Report attached)

Report stands as submitted.

Jernitha is looking to engage inactive schools. Question regarding Policy and Procedure update to merge the membership and volunteer committees.

Committee Reports

Communications, Tosh Greathree (Report attached)

Report stands as submitted.

Electronic Services, Kyle Wade

Report stands as submitted.

Website is up-to-date. Expense went up slightly because they are going on a two-year plan for the website.

Financial Awareness, Nicole Brownlow (Report attached)

Report stands as submitted.

Nicole reported update about College Goal events and has met with CHE. Nicole has also updated the Financial Aid Night presentation, which is now available on the website.

Elizabeth Milam asked about what happens when high schools ask CHE for counselors for presentation. Who has the final responsibilities to ensure there will be presenters. CHE puts it out there but doesn't provide follow-up. Nicole stated she will see there can be a follow-up meeting with CHE.

Financial Planning, Elizabeth Milam

Report stands as submitted.

Don't report market fluctuations so no real losses but also no income. There are 18 paid sponsors. Annual review hasn't been approved by committee yet but will be forwarded to Missy. Recognizing past treasurers from last year for having the foresight to put SCASFAA on firm financial footing.

Missy would like for Edward Jones to come in to talk about investments at next board meeting.

Diversity, Equity, and Inclusion, Holly Gilliam and Kala Hudson (Report attached)

Report stands as submitted.

Webinar scheduled for November 9, 2022, with the topic of how to be a recovery ally, targeting financial aid staff who might be serving students who are going through addiction recovery. On October 29, 2022

(Wednesday) the DEI committee will have a table at breakfast as a meet and greet. Announced that they plan to have an article “book club”. Thinking broadly about what DEI means and the populations who are included to break misconceptions.

Legislative Relations, Joey Derrick (Report attached)

Report stands as submitted.

Will be meeting with CHE and is asking for agenda items such as questions regarding LIFE ranking reports. NASFAA State Advocacy Network has been created to make a platform for states to talk with each other. Goal is to help states that are not as active to increase their advocacy by connecting them with states who are more involved.

Regarding the State Need Based Grant (SNBG), legislature says allocation form meeting current guidelines and there won’t be a change.

Loan Agency Liaison, Ray Jones (Report attached)

Report stands as submitted.

Regarding student loan forgiveness, there are currently six state lawsuits, including South Carolina, which are pending. No future information.

The extension to apply for the Public Service Loan Forgiveness ends October 31.

Student loan repayment pause will end at the end of the year and interest will begin being added again.

Conference, Sarah Dowd (Report attached)

Report stands as submitted.

For the minigolf charity event, SCASFAA will cover the \$8 fee and participants will pay \$20. All proceeds will go to this year’s charity, Bow and Arrow Center of Hope.

Site Selection, Bridget Blackwell (Report attached)

Report stands as submitted.

Bridget will be meeting with her committee during the conference to create a survey to adjust for Fall 2024.

Sponsorship, Melanie Gillespie

Report stands as submitted.

There are 18 sponsors at conference. Raised \$30,200. Venders want to see the membership and will therefore have a reception at the conference on Monday, October 18. Sponsorship reception is not invitation only this year but open to the full membership.

Committee	Sponsorship
Committee Chair	Melanie Gillespie, Tri-County Technical College
Vice-Chair	
Committee Member(s) (Name / Institution)	Nicole Brownlow, Trident Technical College
Report Submitted By:	Melanie Gillespie

Goals:

Secure sponsorship for the SCASFAA 2022-2023 year and continue to build relationships with the vendors who support us.

Accomplishments:

We conducted a survey after the conference last year to determine what the vendors wanted for a reception that felt most meaningful to them. The resounding theme was a reception that would include the entire membership as they are here to build relationships with them. We made that change this year and the entire membership has been invited to the reception. We will conduct a vendor specific survey again post conference to get thier feedback on the changes so that we know how to move forward in subsequent years.

This year we have 18 vendors for a total of \$30,200, which exceeded our goal. We look forward to welcomeing back ECMC next year who would have been in attendance this year but had scheduling conflicts that prevented them vending with us.
